Proceedings of the Government of Mysore.

Read:-

1. Petition No. 56 dated 4th April 1892., submitted by Talvars Maria and others of Tumkur, complaining that their service Inam lands was taken up by the Tumkur Municipality without granting them adequate compensation.

2. Tumkur Deputy Commissioner's letter No. 796 dated 28th March 1893, submitting proceedings with a report on the Petition.

Order thereon No. 20077/L.F. 251-93 dated Bangalore 23rd May 1894.

Petitioners were getting Rs. 26/- a year from the lands taken up by the Municipality and they are therefore entitled to a land which would give them annually Rs. 26/- . The Municipality should either acquire and give the Petitioners a land of that value, or purchase Government Promissary note that would yield an annual interest of Rs. 26/- deposited them in the Treasury and disburse the interest annually to the Talavars or if this cannot be arranged, pay the Talavars Rs. 26/- from Municipal funds every year. The latter will be the most equitable arrangement under the circumstances of the case . The President, is requested to report if he cannot make some such arrangement. Government presume that no Quit rent was leviable on the land taken up. If there was any Quit rent and if it was paid by the Talavars, and not by the renters, it will have to be deducted from the sum payable to the Talavars and the sa credited to Government. If the quit rent was paid by the renters the Municipality should pay it to Government, in addition to Rs. 26/- to the Talavars.
